

My family has been so blessed to have Airl in our community.  
I have a six year old and a 4 year old. They  
both know and sing the songs at the top of their lungs.  
Just the other night while brushing my little boys teeth,  
he stands up and says, "the Newsboy are strong in their faith  
and they love Jesus," now how cool is that.  
He goes on to say that he's going to be a rock star for Jesus.  
Jesus loves me and I love him. That is the result of having  
postive music on the radio that lifts you up instead of  
promoting sex, murder, drugs and depression. The rest of the  
stations in the area are junk and a disgrace to society.  
You have a moral right to protect our kids and you choice will be decide late in  
eternity. When a radio station promotes good  
moral values, the prowrs to be think they are wrong. You  
just don't get it do you. It is a supporter funded station,  
no tax dollars, just faithful people living out their faith.  
I urge you to keep this station on the air for the protection  
of the youth of the world. Peace be with you and may you make  
a sound judgement on what is right.
